

BC All Terrier Club Invites you to Dinner Under the Big Top

**“Under the Big Top,
A Circus Full of Fun”**

Born into a travelling gypsy circus some where deep in the Eastern planes of near Asian Europe, our cook was a musical trapeze artist and a crystal ball gazing fortune teller in the Slobovian Circus. Betisa learned the secrets of far eastern circus cooking and how to steal chickens from the best circus chefs in Europe not in jail. Enjoy the best food under the Big Top as Betisa blends the succulent flavors of Arabia, Eastern Europe, Italy and North Van.

**You'll find no rubber chickens under this big top.
